Product structure:

Compatible accessories:

WIR-053-F V2
PIR detector

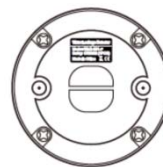

WSD-051-F V2
Door sensor

WRC-048-F V2
Remote control

WSD-049-F V2
Smoke detector

WLD-061-F V2
Water detector

WTL-063-F V2
Temp sensor

Technical Parameter:

Alarm panel size	110*56*33mm
WiFi protocol	802.11 b/g/n 2.4G only
Wireless sensor frequency	FSK 434Mhz
Working platform	Tuya APP "Smart Life"
Power input	100V ~ 240V/50Hz
Battery type	AA size 2PCS
Effective range of sensor	30-50 meters
Siren volume	80-115 dB
Max quantity of sensor	20 PCS
Temperature sensor range	-20℃ ~ +50℃
Storage temperature	-20℃ ~ +60℃
